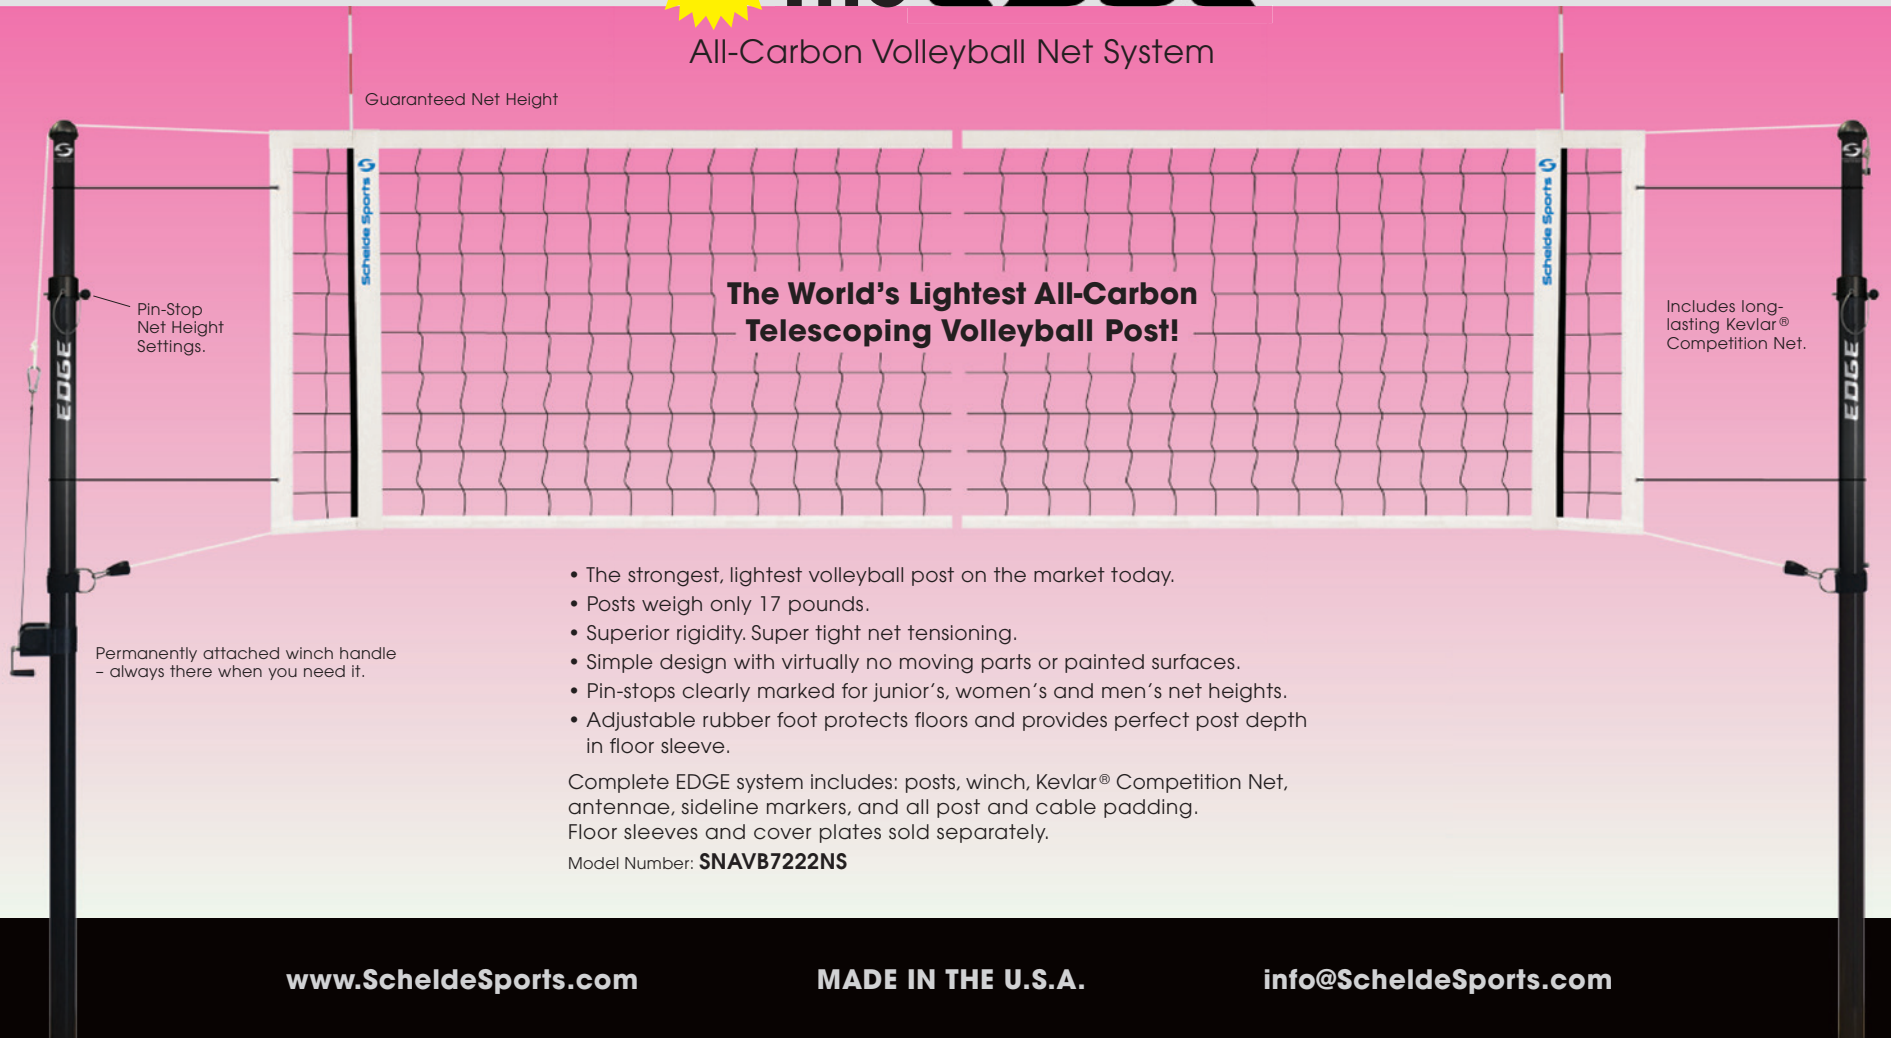
NEW

The EDGE

All-Carbon Volleyball Net System



The World's Lightest All-Carbon Telescoping Volleyball Post!

- The strongest, lightest volleyball post on the market today.
- Posts weigh only 17 pounds.
- Superior rigidity. Super tight net tensioning.
- Simple design with virtually no moving parts or painted surfaces.
- Pin-stops clearly marked for junior's, women's and men's net heights.
- Adjustable rubber foot protects floors and provides perfect post depth in floor sleeve.

Complete EDGE system includes: posts, winch, Kevlar® Competition Net, antennae, sideline markers, and all post and cable padding.
Floor sleeves and cover plates sold separately.

Model Number: **SNAVB7222NS**

Schelde Sports north america

Telescopic Pro II

Volleyball Net System

Posts and winch carry a limited **LIFETIME WARRANTY**

Guaranteed Net Height

Tecton duraluminum posts weigh dramatically less than steel posts.

Pin-Set net height settings.

Schelde's International Net with ratchet tensioner and four-point connection system simplifies net connections.

Exclusive Schelde linear winch.

Swivel-action winch handle folds away for safety.

Top Competition Main Court System.
Quicker Setup. Easier Net Height Changes.

Just two net connections per post assure a taut, consistent net.

Also available with Kevlar Competition Net (see page 12).

- Built with durable aircraft aluminum and stainless steel components for years of trouble-free use.
- An engineering masterpiece that allows quick and easy setup and net height adjustments.
- Winch and net attachment assemblies are synchronized, so you can quickly change net heights without detaching the net.
- Post and winch come fully assembled.

Compete Telescopic Pro system includes: posts, winch, International Competition Net, net tensioners, antennae, sideline markers, and all post and cable padding. Floor sleeves and cover plates sold separately.

Model Number: **SNAVB1200TP4NS**

Telescoping action of post is assisted by an internal spring mechanism that makes it easy to change net heights.

Adjustable rubber foot assures accurate net height settings and protects floors.

Portable Pro II

Volleyball Net System with Referee Stand

Schelde Sports north america

Posts include pin-set net height settings for men's, women's and junior competition.

Heavy-duty steel posts and referee stand (on one end) tilt up and lock into playing position.

Rugged 26:1 worm gear winch.

Padding is available in 16 school colors and may be customized with school name, mascot or sponsor.

Integral ballast and front friction bar allow super-tight net tensioning.

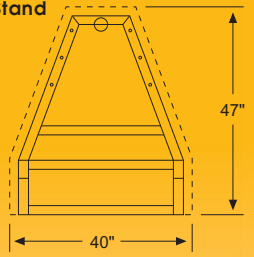
Durable Kevlar® competition volleyball net.

Guaranteed Net Height

Top Competition System Requires No Floor Sleeves

Referee Stand Included

Footprint of Base is Similar to that of Post and Referee Stand



When in use, base units measure 40" wide x 47" long. When stored, each base unit requires space of 40" wide x 50" long x 48" high.

Rolls easily on most playing surfaces with six rear and two front non-marking wheels.

Ask your Schelde rep about custom lettering and graphics.

- Used by many top collegiate pro grams and national tournaments.
- Create a top competition volley ball court just about anywhere.
- Just roll bases into position and tilt the posts to lock them in place.
- Bases, posts and winch come fully assembled.

Compete Portable Pro II Net System includes: pair of padded bases with steel posts, winch, referee stand, Kevlar® Competition Net, net tensioners, antennae, sideline markers, and full padding in your choice of 16 school colors.

Model Number: **SNAVB8100**

Available with Multi-Court Centerposts and Padding.

Schelde Sports north america

Vision Pro

Portable Volleyball Net System

Posts and winch carry a limited
LIFETIME WARRANTY

Padding is available in 16 school colors and may be customized with school name, mascot or sponsor.

Integral ballast and front friction bar allow super-tight net tensioning.

Guaranteed Net Height

Low profile design provides excellent sight lines

Easy to move on nearly any flat surface with transport dolly and six rear non-marking wheels.

- Allows you to use your existing 3-inch, 3.5-inch or 4-inch posts to create a net system on virtually any court without the use of floor sleeves (posts may need to be shortened).
- Perfect for tournaments or facilities where floor sleeves are impractical or virtually impossible.
- Low profile bases are completely freestanding and can be used on most floor surfaces.
- Bases, posts and winch come fully assembled.

Compete Vision Pro Portable Net System includes: pair of padded bases (in your choice of 16 school colors), Telescopic Pro II or Collegiate 4000 posts, winch, International Competition Net, net tensioners, antennae, sideline markers, net storage bag, transport dolly, and all post and cable padding. Referee stand sold separately.

Self-Storing Pro

Volleyball Net System

Schelde Sports north america

Kevlar® Competition Net

Guaranteed Net Height

- An engineering marvel that sets a new standard for quick and easy setup.
- Patent pending air cushion design allows telescoping posts to glide up out of the floor as the four segments automatically lock into place to achieve full net height.
- Net height is fully adjustable from 42" to 96" with pre-set net height settings for men's women's and junior competition.
- Integrated floor sleeves are 32" deep and install just like any conventional floor sleeve.
- Net, winch and net components store in convenient carrying bag.

Compete Self-Storing Pro Net System includes: integrated posts and sleeves, brass cover plates, winch, end hook, D-ring connectors, Kevlar® Competition Net, net tensioners, antennae, sideline markers, net height chain, carrying bag, and all post and cable padding.

Model Number: **SNAVB4000**

Spring-loaded fingertip net height control.

Stores in its own floor sleeve.

Sand Volleyball

Net Systems

Schelde Sand Pro Telescopic System

Designed to be the world's best competition sand volleyball net system, the Sand Pro Telescopic is a re-engineered version of Schelde's Telescopic Pro II System. Telescoping posts feature Pin-Set net height settings, an adjustable rubber foot and Schelde's exclusive linear winch. Package includes posts, winch, 28-foot Official Sand Volleyball Net, post safety pads, Court Boundary Kit and pair of TwistLock™ ground sleeves.

Model Number: **TP4SAND**

Schelde Sand Pro Collegiate System

A top competition sand volleyball net system, the Sand Pro Collegiate offers the many advantages of Schelde's popular Collegiate 4000 System. Unirail™ design allows for quick and easy net height adjustment. Package includes posts, winch, 28-foot Official Sand Volleyball Net, post safety pads, Court Boundary Kit and pair of TwistLock™ ground sleeves.

Model Number: **C4SAND**

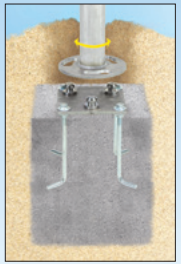
Standard Outdoor Volleyball System

Our best-selling Collegiate aluminum post and Unirail™ assembly with ratchet-style winch and lever lock make setup quick, simple and easy. Package includes posts, winch, Kevlar® Competition Net, Court Boundary Kit and pair of ground sleeves.

Model Number: **C4YD**

TwistLock™ Sand Volleyball Ground Sleeve

Engineered for top competition sand volleyball facilities, the unique twist lock design allows the stainless steel sleeve to be installed or removed from a permanent concrete base foundation in a matter of seconds. Complete kit includes sleeve, base plate, anchors, hardware and instructions.



Model Number: **SVB27**

Outdoor Post Safety Pads

Schelde Outdoor Safety Pads are available in 16 school colors (see page 13). Ask your Schelde rep about custom lettering.

Model Number: **SNAVB51P** (pair)

Floor Sleeves & Mounting Systems

Universal Floor Sleeve System

The Schelde Universal Floor Sleeve System with 4" sleeves and heavy-duty brass floor plates is smartly designed to accept all Schelde volleyball systems and virtually any make or model of sleeve-type sports equipment. Schelde's unique floor plate and hinged cover sits flush to the playing surface, with no exposed screws, for added safety.

4" Sleeve with Cover: **VB27**
3" Sleeve with Cover: **VB23**
3 ½" Sleeve with Cover: **VB26**

Note: Floor sleeves and cover plates also sold separately.

Wall- or Post-Mounted Volleyball System

A smart solution for special applications, track system can be mounted to any surface strong enough to support the tension of a volleyball net. Designed to be infinitely adjustable from 42" to 96" net height. Complete system includes pair of track assemblies, winch, Kevlar® Competition Net, cable covers and net storage bag.

Model Number: **SVB5050W**

Special Application Mounting Systems

Schelde T-Base
provides stable sleeve support for floors that cannot accept conventional sleeves. The base is securely locked in place with 1/2" turn bolts. Requires use of appropriate drill-in floor anchor. Padding for this base is available. Request adapter sleeves for use with 3" and 3.5" posts.

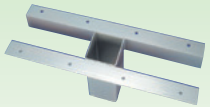
Model Number: **VBTBASE**

Custom Base
allows Schelde posts to fit into virtually any existing floor sleeve.

Model Number: **SNAVBADPTS**

Second Story Sleeve Forms
allow installation of Universal Floor Sleeve System in floors with lower level or crawl space directly below volleyball court. Requires experienced installer for proper use.

Model Number: **VB230**



Standard Drill-In Floor Anchors
allow anchoring of T-Base to existing concrete, synthetic or tile floors without major concrete excavation. Requires drilling and grouting.

Model Number: **VB25**

Floating Floor Drill-In Floor Anchors
allow anchoring of T-Base to existing floating maple floor systems. Integral flange provides additional support. Requires drilling, routing of wood floor and grouting. All necessary hardware included.

Model Number: **VB25FL**

Thin Slab Drill-In Floor Anchors
allow anchoring of T-Base to existing floors in special situations where concrete is too thin for other anchoring methods. Consult with your Schelde rep for advice and assistance.

Model Number: **VB25TF**

Floor Sleeve Adapters
Designed to allow smaller diameter volleyball posts to fit in larger diameter floor sleeves.

Installs 3-1/2" Posts in 4" Sleeve
Model Number: **VB354**

Installs 3" Posts in 4" Sleeve
Model Number: **VB340**

Installs 3" Posts in 3-1/2" Sleeve
Model Number: **VB335**

Schelde Sports north america
