Note: Floating-goal pools used in NCAA competition may exhibit a maximum length of 100 feet (30 meters) and a minimum length of 75 feet (22.9 meters) for men, and a maximum length of 82 feet (25 meters) and a minimum length of 75 feet (22.9 meters) for women. The NCAA floating-goal pool also features a ball-release device at the center circle. All future pools built for NCAA water polo should conform to metric dimensions.
